JOKE GAMES END SIGNS POINT TO

Several Teams Look Good Enough To Win Flag

Basketball started off with a rush the "Y" Saturday night with a new Intermediate League. The first game which was between the XX Club and the Washingtons, was a hard fought one. At the end of the first half, 'the score stond four to one in half, the score stood four to one in favor of the Washingtons. All through the half they showed much better form than their opponents in passing However, they were not able to get any free goals, all of their scores being for fouls made by the opposing team. In the second half, the XX Club came back strong by putting two of their best men in to replace two of the men who were being tried out McTaggart, the captain, showed good possibilities and played a hard game from the time he replaced Evensen Frendo, a new find for the club was easily the star of the team. He was always at the basket when he should always at the basket when he should always at the basket when he should be and as a result got free throws. Methven the XX guard is new at the game but rom the way he held down his man be will soon round into strong player. At the end of the second half the score stood thirteen to eight in favor of the XX Club.

The second game was the surprise of the evening as it had been expected the Hawaiis would run away from the newly organized Olympics. At the head of the first half the Olympics has them on the run to the tane of eight

Williams, Walker and Brito contributing a singles. Fernandez contributing a double while Heary Chillingworth contributed a home run, the ball going almost to the far fence in rightfield. When Tony laid down the burdens, Toddy Sloan lumbered out on the diamond and from the way Toddy handled the pellet and kicked up the dirt about the infield, he must have been siek or filled with a spirit of I-don't given-rap or other kinds of spirits, for the Hawaiis added three more to their string in the five innings that Toddy wore his cap backwards and otherwise pulled off fooliek stunts.

In the second game was the surprise of the evening as it had been expected the ed three in the deal then or the Hawaiis would run away from the newly organized Olympics. At the end of the first balf the Olympics bathem on the run to the tune of eight to four. It looked like they had it at their own way and probably woulhave had not Henry Hanneburg arrived on the scene. He was put in a the beginning of the half and he soon changed things by his long throw from near the center of the field. Han neburg has played on the teams in the boy's department for several year and plays a very fast game. The pulled off foolish stunts.

In the second game, Handsome Jack
Lawson kept the Asahis guessing all
the time, in fact both Jack and his
team mates played a nice game of ball,

JOHNNY LUSH PITCHED A NO HIT, NO RUN GAME

HE IS COMING TO HONOLULU WITH HOGAN'S TIGERS AND WILL SHOW SKILL FOR BENEFIT OF LOCAL FANS

turning their thoughts to the coming of the big fellows and from the way the faus are burning, the Venice Tigers will be doubly welcome to the shores of fair Hawaii. It has been many many years since a real professional team of ball players came to Honolulu, it being back in 1908 when the All-Stars played here against the local

it being hack in 1908 when the All-Stars played here against the local teams.

Since then, the Stanford University team, the University of California, and several Japanese teams played here as well as a team of Filipinos. The Tigers though are real dyed in the wool Class A.A. and better ball players and are bound to show the tans a brand of baseball well worth the price.

In a recent letter to the local promoter of the Venice series from Captain Jack Bliss of the Tigers who is recruiting the team on the mainland, none but the best will be in the party of fourteen players who are due here next month. The contract between Bliss and the local promoter calls for fourteen players from the Venice team who took part in the Coast League race during the season of 1914. Since then Bliss has written asking permission to bring Johnny Lush of Portland who pitched a no-hit, no-run game and then lost it through an overthrow to first base, Osar Vitt, one of High Jennings' cracks rinch infielders; Oscar Stanage, one of the Detroit Tigers backstops, and 'Death Valley' Jim Scott of the Chingo White Sox. Bliss also wrote that there was a possibility of Buch Weaver, seasational shortstop of the Chicago White Sox joining the party.

All arrangements have been made for this team to leave San Francisco November 19, against the Twenty-fifth Infantry team at Schofield Barracks. Owner Eddie R. Maier of the Tigers, several of his friends and wives of several of the players will be along, making a party of thirty-five people.

McCarthy a Feature

Acting as one of the arbitrators of the games Vehice plays in will be John I. McCarthy known to all haseball fans as Jack McCarthy, who ranks as the best umpire on the Coast today and who has had his experience of several who has bad his experience of several years in the major leagues, in fact, it is simply a love for California that keeps him there now. Several local are acquainted with John McCarthy among them being Heinic Raphael, and Heinic thinks McCarthy a great umpire. Helinic is also a great admirer of Oscar Vitt, in fact, the two played ball around San Francisco in their kid days and it is Raphael's opinion that Vitt will be a great big card here. Not alone does he say this because he is a warm personal friend of Vitt's but because Heinie knows what all the fans of Detroit know, that Vitt

is a slashing, peppery ball player. If he was not all of this, he surely could not hold a job with Jennings year after year. Staunge is another friend of Raphael and while it has been some

Notes of the Game

With the 1914 senson of the Oahu games. The boys have had a successful League pau, followers of the game are trip financially and otherwise, having played in something like 160 games and the him follows and from the way.

If Apau Kau and Kan Yen are in the lineap of the returning travelers, W. Tin Chong will make an effort to sign them up as a battery against Hap-py Hogan's Venice Tigers next mouth. These two players with Ayau at short and Lai Tin at third would greatly help the local All-Chinese in their game against the visitors,

While the matter has not as yet been definitely settled, it is an almost certainty that the Venice Tigers and the Punshou team will be the attraction at the opening of Molfilli Field. The local manager of the Venice series is seriously thinking of having the Tigers and Puns play there December 3, with the major leaguers taking part in the plate laying exceptions.

Pollowing is the tentative schedule of the first six games the Venico Tigers are to play in and about Honolulu: November 19, Twenty fifth Infantry at November 18, Twenty-fifth Infantry at Schofield Barracks; November 21, Pa-nahou team at Athletic Park; Novem-ber 22, All-Chinese team at Athletic Park; November 26, All-Star Venice team with local men in lineap at Ath-letic Park; November 28, Coast De-fense team at Athletic Park; Novem-ber 29, Twenty-fifth Infantry team at Athletic Park,

Blondy Williams is keenly looking forward to the day he goes up against Happy Hogan's bunch and it will be a severe test for the youngstor but he is confident of making good. The manager of the Venice series is going to offer Manager Castle either Elliott or Bliss that day for a back stop and the experience of these two men, whichever catches, should prove most valuable to the Pun's pitcher.

* * * Both Waterhouse and Willis of the Twenty-fifth Infantry are training hard to be in fit condition when the soldiers tackle the Tigers. Both would consider it a great feather in their cap if they beat the Tigers or even give the main-landers a tassle. All Schoffeld is anx-ions to see the game and the coming of the Tigers in November is the most talked of event at the big army post right now.

Goods of the highest quality command the highest prices, but they invariably render more for the money than cheap goods. You like to have the best of everything. Insist upon having the best fertilizer for your crops. You will be better satisfied and better served. Four quality is expensive; get the best.
